Quick Details:

The best thing about epoxy flake coatings is their durability that lasts long at least 5-10 years to endure the wear and tear caused by strenuous activities. It is more rigid and lasts longer than a conventional flooring system. Besides, with epoxy flake coatings, your flooring can withstand most stains. An epoxy interior flooring is easy to clean and maintain, and almost all substances are easy to remove due to its resin and glossy finish. The flooring technology will also help deter the spread of bacteria and mold, making it highly hygienic.

Features:

1. Seamless, easily cleanable surface
2. Resistant to stains and water
3. Durability
4. High gloss finish
5. Fast application
6. Amazing and unique results

Advantages:

Epoxy resin floor coating provides a high-gloss and durable layer. Floor coatings made of 100% solid epoxy can be made to be seamless and chemical, antimicrobial and slip-resistant.

The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products.

The floors appear stunning, and your needs for performance are met. Epoxy Resin floors are great for galleries and waiting rooms, showrooms, restaurants, hotels, or any other place that needs to display a touch of glamour.
